## Terms and Conditions of Referral

You must have the express permission of the referred school to pass their details on to us in order that we can contact them to discuss their staff absence insurance needs.

The vouchers will be the property of the school or educational institution recommending BEST, not the individual making the recommendation. The vouchers may be used for the school how they see fit.

Vouchers with a value of £50 will be posted within 30 days of the referred school confirming cover with BEST.

The referring school's contact may state a preference of supplier but no guarantee can be given that the vouchers will come from that supplier.

The vouchers are only valid until their expiry date and can only be used with the supplier from whom they were purchased.

BEST are not liable for the quality of goods and services provided by other suppliers.
